The KDSP will be holding a charity auction to raise funds for Helping Hands of Dayton! Helping Hands of Dayton is 100% volunteer driven organization that provides CARE KITS to families with Children in critical care at local hospitals. They provide these families with the basic necessities that allow them to stay with their child and focus their energy and attention where it is needed rather than be worried about not having essential items such as a toothbrush & paste, deodorant, tissues, shampoo, etc... HHOD provides these CARE KITS to Neonatal and Pediatric ICU families at Dayton Children's, Miami Valley Hospital and Kettering Medical Center. The organization's long-term goal is to meet the needs of the estimated 2,800 Miami Valley families each year that will have a child in intensive care.

Please come out on December 16th to support HHOD! Bring any of the following to donate and be entered to win a Visa Gift Card: Individually wrapped toothbrushes, travel sized toothpaste, travel sized deodorant, and travel sized packs of tissues.
